

Sat AM Bridge with Phyllis

St Louis Bridge Center 10 AM - noon
1270 N Price Rd \$10 per session ALL are welcome!

**Sept 3 Sharing what I learned at ABTA Convention –
(American Bridge Teachers Association). So many good
speakers – new books and info**

**Sept 10 Every hand is NOT a game contract! You need to
know when to stop, when to interfere, and why you interfere!
Sometimes, it is better to go down than let your opps make
their bid!**

**Sept 17 Q & A This is a great time to ask questions and
play hands. If you don't bring questions, I will! It is NOT how
many conventions you play, but how well you play the ones
you know!**

Sept 24 NO CLASS
You should be playing in 499er tourney

Such a deal!
