

Our Veterans/Rookies game is the 4th Sunday of each month and fast approaching on July 24th.

Veterans are experienced players with the DUPLICATE game. Remember, ALL veterans were rookies at one time. Their goal is to make the Duplicate experience enjoyable for the Rookies and perhaps offer a pointer or two after the game has concluded.

Rookies are players with less than 99 points. The “key” rookies we are targeting are chat game players and those who completed beginners class. You now have many of the basics, but are still new playing duplicate. We get it! We were there! Hope you will take that leap, and let Phyllis know you want to play! 314-313-6092

Reminder – July 24<sup>th</sup> is also the last opportunity for triple points and NAP qualifying. There will be an additional \$1 game fee.

Walk-in teams may play as well in the 4th Sunday Veterans & Rookies game, but need to be aware of the effort we are making to make this game a friendly, safe place for our “Rookies”. Veterans, Rookies AND triple points!!
