## Learn Bridge with Phyllis

Saturday Morning Lessons 10-12 at **St Louis Bridge Center**  
\$10 a session 1270 N Price Rd

### Nov 6 2 No Trump

We use it for so many different reasons – Time to discuss different meanings (opening, responding, rebids, overcalls and more!)

### Nov 13 Standard American or 2/1

Are u ready to switch? Do you want to know the differences, and at least know what your opps are saying?

### Nov 20 Weak hands

Weak hands come up so often. U need to interfere, open with preempts and weak twos, and even your partner needs a way to bid

### Nov 27 Strong hands

It's easy to open strong, but what happens when your opponents open first? When should you double?

Happy Thanksgiving! Thankful for good health, friends, and bridge.  
Such a deal!
