

Please join us for a celebration of Beth's 45 years as a Duplicate Bridge Director at the game on Thursday, October 30, 2025!

Beth spent a year directing under the supervision of her Grandfather Ted Browne, who, with his wife Delma, were the first duplicate bridge directors west of the Mississippi. She was certified the following year and in 2026 will mark her 45th anniversary of Certification.

She loves the players, the game and directing.

Hope to see you Thursday!

Friday, October 31st is Halloween. Those who come to play in full costume will receive a coupon for a free lunch next week.
